Our Founder & Secretary Message

***“We cannot always build the future for our youth,
but we can build our youth for the future.”***

These words by Mr. Ravindra Singh Sengar describe our aim at Maya Group of Institution. Beyond providing a sound education, we wish to provide our students a holistic learning experience for life, our aim is to teach students to learn, not just study. Hence, we have realized that the future is abstract and unknown but the youth in our hands are real and can be moulded.

Dear students, "You are the nation-builders. You are the mores of technology. You are the agents of changes." It is our hope that the year that you spend in MGI would enable you to with leadership and managerial skills. The knowledge that you will gain, the fine qualitties that you will imbibe and the technical skill that you will learn to apply will be your major contribution to your parents, to society and to the nation.

Ravindra Singh Sengar

“You don't have to be great to start, but you have to start to be great.”

Best Wishes
